ALU˙SPACE
INTERIOR SCREENING SYSTEM

Creating Living Spaces
Make it Smart

An Appreciation
of Space

The Smart AluSpace Interior Screening System features elegant slim lines to create a light and airy interior environment.

Smart AluSpace Screen can be designed to divide or delineate both residential and commercial spaces of any shape and size, while at the same time providing an effective acoustic barrier.

With a choice of hinged single and double doors to accompany the stylish fixed glazed screen, this flexible and versatile system provides almost limitless design options.
The Smart AluSpace Screen system requires minimal maintenance, with the high quality design providing many years of assured, reliable and robust performance.
✦ Designed to divide or delineate both residential and commercial spaces of any shape and size, while at the same time providing an effective acoustic barrier.
